exas Congressman's Services Are in Great Demand.

EMOCRATIC CHANCES ARE GOOD.

Capital of Conduct of War, but Want Investigation.

Washington, September 18 .- (Special to lanta Constitution.)-Congressman Joe diey will leave in a few days for Indiana. ere he goes to take an active part in

here he goes to take an active part in a democratic campaign in that State. Is services are in great demand in all its of the country, and it is evident that apparent turn-down by the Texas demirats in the matter of territorial expanion has in no respect lessened his popurity with democrats. Air, Bailey feels decidedly hopeful of the tlook for democratic victory in the concessional elections. He has bee in corpondence with almost all the democratic embers of the present house and the addes they send of themselves, together the what they say of other conditions other districts of their States, lead him believe that instead of a mere fighting believe that instead of a mere fighting ince the democrats will capture the

L DEMOCRATIC MEMBERS HOPE-FUL

n speaking of the outlook, he said to

Of the democratic members of the preshouse, not one of these renominated leves he will be defeated. These men on the ground and know the conditions. on the ground and know the conditions, ere is every reason why they should we me the outlook exactly as it seems them, and in all cases they write with a fidence. While the war was on some them felt a little dubious, but now they ard the outlook as decidedly bright, om invitations I have received I know it the heads of the State committees is at the situation in the same way. So as I know, there is not a section of iter and brighter than it was in the ection at which the present house was sen, and in many instances the men the ground have been able to give sub-

al assurances of gains."

Balley said that from his informaof the chances in the middle West are been at any time. He told me of the been at any time. He told me of the been at any time. He told me of the been at any time, and Todd, fusion, will undoubtedly be returned and that democrats stand an excellent chance correspondence sacredly private. Andress with stamp.

A CHANCE FOR ALL! We do not beast of \$0,000 capital, but instead, cory offices in one of the most modern buildings in town, heated by steam throughout the wintermonths, and typewriters of the latest style and make, with all other office furniture accessary for those who wish to make the most thorough and rapid advancement in shorthand. Taught by one who not only holds teacher's certificate from one of the finest business colleges in the United States, but has had years of practical business experience. As we are not rich ourselves, our prices are in reach of all! 35 per month; six months' course for \$25. Rodgers Shorthand School, 500 and 510 Kiam building. 24

1ROF, and MME, C. V. COX, general managers of the wonderful De Lamorton Bress Cutting System, have opened a school at 602 Main street, over Cockrell's drug store. Fre-eminently the only perfest method of cutting all kinds of garmouts for ladies, gentlemen and children. This system adjusts itself to the many changes of fashion, to limit to lessons; dress making taught in all its branches. electing their nominees in two other tricts. In Indiana he had promised the nocrats of the present congress that he uld help them, but now the officers of State and congressional committees are isting on his giving his time to other ricts, as democratic victories are as-ed in those now represented by demo-ts and they want him to devote his to other districts where gains are

AILEY CONFIDENT OF VICTORY. We have every reason to feel most beful as to the outlook," and Mr. Bailey, deed, I for one, feel confident that we carry the next house. The issue growout of the war will naturally be much ussed, but the democrats will not en-yer to make political capital out of the leisms of the conduct of the war de-ment. That is a matter beyond and ve politics. I see the republicans are ig to raise the party whip in defense of department officials, but the people at a real investigation, and they are litled to it. That is not a matter of poliand the party which endeavors to te it a political question, as the relican newspapers and leaders are try-to do, will suffer."

talking of the matters which will be street it foursed in the campaign, Mr. Bailey is street if FREE—A pretty and useful lunch box with the best of the Baltimore Sun as saying.

There is no doubt in my mind that the sident and his advisers intend to select and his advisers intend to select the hold of the Philippines, if they is the best of the bold of the Philippines, if they is doubted the wisdom of this step and being forced into it, but it can make no Will seems of the select select for girls and young ladies September 25, corner San Jacinto and Texas avount of this step and the president select in small family Call 817 Crawford street.

22 Young Man, fair education in German and English, wants ob. Address 1706 Alamo street, city, First ward.

23 WANTED—Situation to work around store, hotel, boarding house, or general yard work Address L. W. Diggs, No. 2015 Congress a talking of the matters which will be

ing forced into it, but it can make no difference from what sources he re-res his inspiration if the action taken is I believe it will be. The republicans wild over the idea of commercial ex-sion without interference with their ot tariff regulations, and in the posof the Philippines, Cuba, Porto Hawaii and other islands, they see nd which they can erect their tariff, and in which the manufacturers of country may find an opportunity to

se of their surplus products.

one will examine the statistics of the acre of the Philippines it will be seen the value of the exports and imports ther hardly amount to enough to de-the expense of the increase in the the expense of the increase in the bding army which their possession kes necessary, but as this expense is to borne by the whole people, and the nufacturers alone are to secure the bars of the new markets, it is in line with republican policy of the past to make whole people pay heavily for benefits, can only be enjoyed by a few. This tens of the objections, however, to ut one of the objections, however, to acquisition of the Philippines. Our littions and form of government do make provision of any kind for the

HORDES OF CHEAP LABORERS.

is calmly proposed by the republican posing as the friend of the laboring of this country, to absorb into our ation millions of men who can be emillation millions of men who can be emred for a few cents a day. The rertions against the importation of cont laborers can not be enforced against
mics and dependencies of the United
se, and it will not be long, if these
has become a part of this country, behordes of the cheap laborers there are
ight here to compete with our labor,
the whole proposition is so more
